# Git bisect

## Demo do fluxo completo

A terminal window with a dark background. The title bar shows three colored window control buttons (red, yellow, green) on the left, the text "NSBrazil 2019" in the center, and a keyboard shortcut icon on the right. The terminal content shows a prompt character followed by the command "git-demo git:(master)" and a purple cursor. The rest of the terminal is empty.

```
→ git-demo git:(master)
```
